CHANDRAKAMAL

BESPOKE 2 & 4 BHK FAMILY HOMES

Manifestation of Comfort

As abstract & unique as the name signifies our project 'Chandrakamal', our project manifests a symbolic view and a sense of living. It is situated amid the city in a serene and pleasant environment with a brilliantly structural design. We provide a graceful quality life that fulfils the multiple realms of safety and security, tradition and modernity, comfort & luxury, leaving no category untouched.

The project is fully equipped with a 360-degree range of amenities & utilities. 'Chandrakamal' is designed to maintain the quality of living with excellence.

CHANDRAKAMAL

BESPOKE 2 & 4 BHK FAMILY HOMES

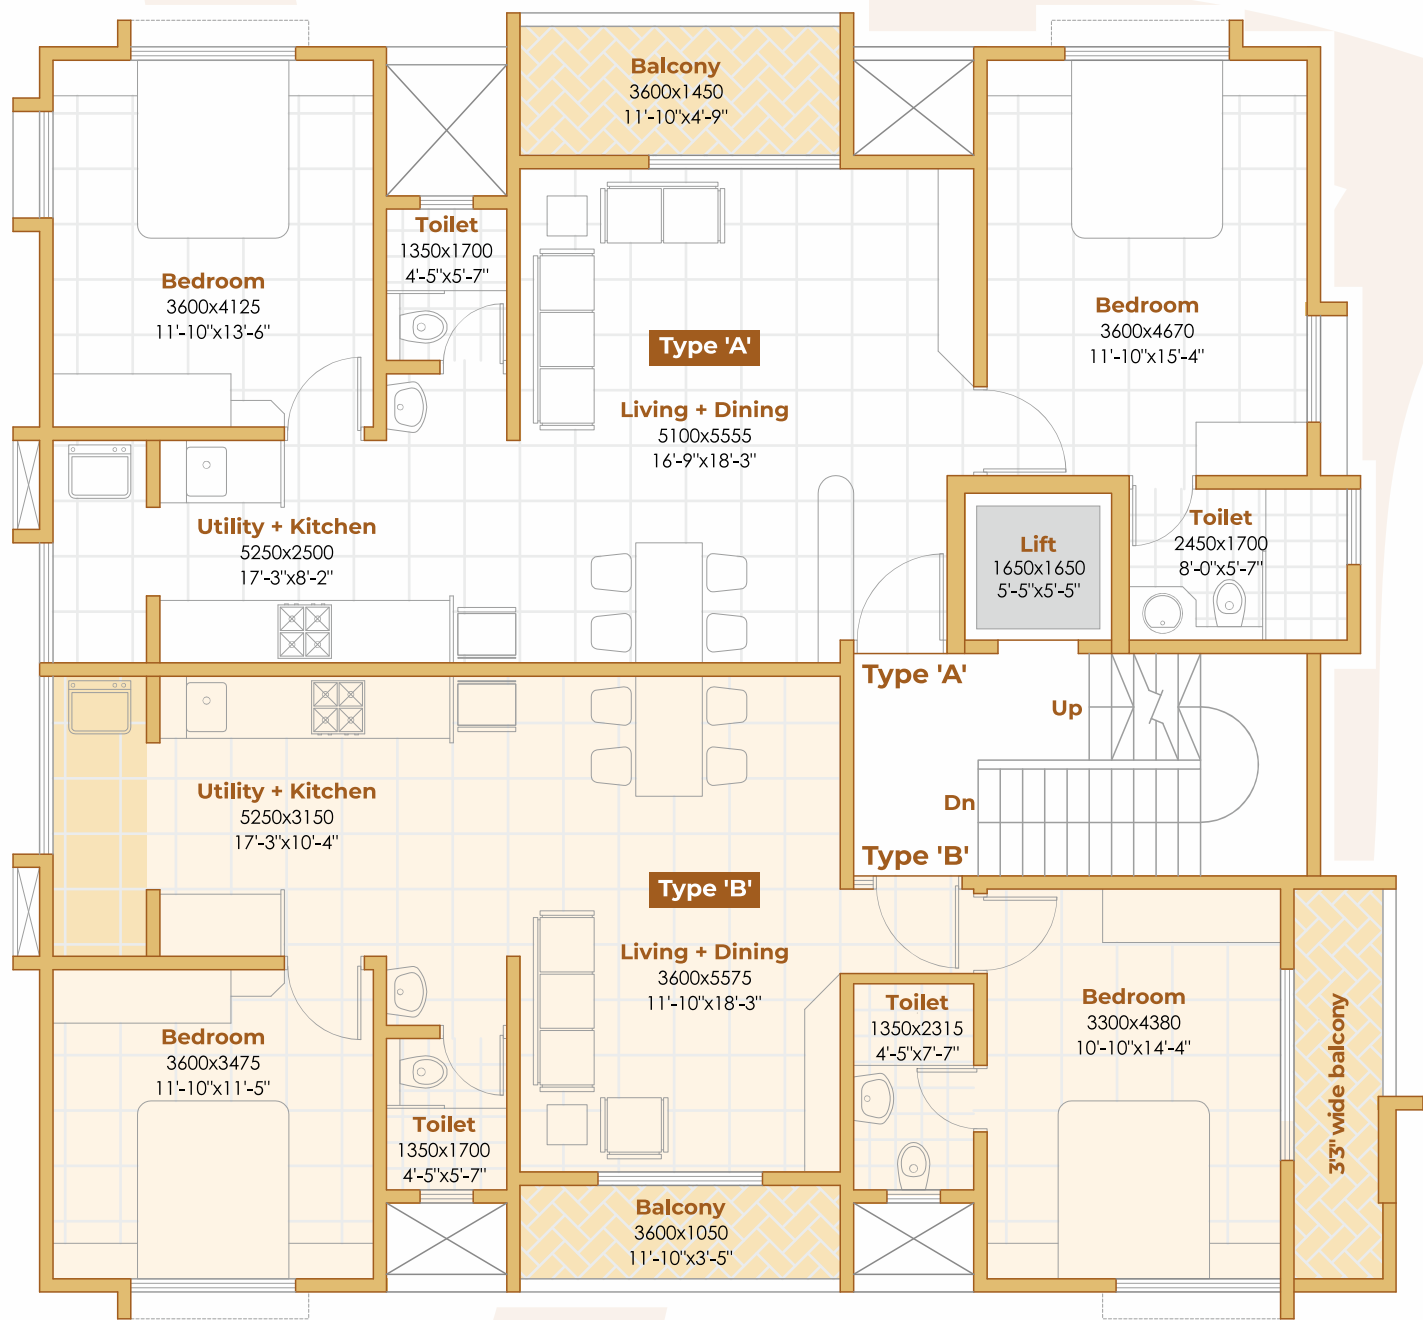

The project is carefully designed to get habituated to comfort & luxury, as demonstrated by the home structure of 2 and 4 BHK in 'Chandrakamal' properties. Our project marks the bar of graceful living & configures a family bonding with quality time within our 'Vastu'.

SIGNIFYING VALUES

'Chandrakamal' is an affluence lifestyle designed to experience modernity and a significant way of living where homes are well-built with the intention to serve well.

A living space that can accommodate the feeling of warmth and togetherness is ideal for every family. As the name signifies, the uniqueness of the project is defined by the graceful designs that live up to the high standards and expectations of luxury.

GRACEFUL SPECIFICATIONS

The crux of our work is 'no compromise'. To build a good structure with pleasing aesthetics, the foundation needs to be strong. After undermining the working specifics, you can determine the excellence of the project by viewing the 360-degree details of the services.

Structure :

- Earthquake Resistant RCC Frame Structure.

Masonry :

- External walls - 6" thick AAC block masonry.
- Internal walls - 4"/6" thick AAC block masonry.

Plastering :

- External - Sandfaced double coated cement plaster finished walls.
- Internal - Scratch plaster and gypsum plaster finished walls.

Tiling :

- Vitrified quality flooring tiles.
- Toilet, balcony & utilities flooring - anti-skid ceramic tiles.
- Parking - paving blocks or tremix concrete as per architectural design.
- Kitchen granite platform with SS sink.
- Premium quality wall tiles in kitchen and toilets up to lintel level.
- Ceramic wall tiles below granite platform.
- Granite window sill for all windows.

Doors & Windows :

- Digital lock for main door and video doorphone for all flats.
- Decorative laminate finished flush doors with quality hardware.
- Granite doorframes for toilets with waterproof flush door.
- Three track aluminium windows with MS safety grill.
- Safety door for main entrance.

Plumbing :

- Concealed internal plumbing PVC & CPVC, external plumbing PVC & UPVC of premium make.
- CP and sanitary fittings of Jaquar or equivalent make.

Electrical Works :

- Concealed electrical wiring with premium switches.
- Adequate electrical points.

Painting :

- Premium quality paint for internal walls.
- Weather shield paint for external walls.

Balcony :

- SS railing with toughened glass.

The Bhaktamar group is a well-known business house with more than a decades' experience. The extensive and diverse experience in multiple segments combined with the exponential successes we've achieved in these individual verticals indicates our core acumen for doing business.

Our future-focused approach ensures that we never get complacent as we constantly update our technology and methodologies, extending to real estate and construction businesses. But beyond technology, we seek to nurture the human connection, where we also focus on sustaining family bonds and traditional values through all our work. This is witnessed via targeted, regular site visits and an emphasis on keeping our clients in the loop during the selection of structural material until the finishing touches are executed.
